The September meeting is this Thursday, Sep. 15th at the Panther Branch Community Building located on Highway Ten - Ten just off of NC50. Talk in will be available on the "Mighty 27" if needed..

From the Office of the President:

Remember, this meeting is covered dish (pot luck for those that ain't from around here) so cook up something good and bring it with you. Doesn't have to be much, but every little bit helps.

Also JARS Elections will be held this month, so perform your civic duty and come on out to our Panther Branch polling location.

73 de Robbie Wheeler, KD4WIY

From our LID & Net Whip

I am not going to be able to send in my reports this month, I am out of town right now, and cannot currently access my records. I will also not be able to make it to the meeting either, so I will have to remain the lid for another month.

From the Editor.

Imagine an artist that wants to paint but only has a canvas and a brush He has no paint but, he still wants to paint. That is how I feel this month about our newsletter. I am the painter and I rely on the JARS members to provide me the paint (articles & reports) I have the canvas (the program for

the newsletter) but I have received NOTHING to put in it. I will continue to put out a newsletter even if there is nothing to put in it and it only consists of a header. It is up to all of us, JARS members to give me something to put in the newsletter.
